(La Jolla Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: Business Improvement
Districts (BIDs) are authorized by State law to assess benefitted
businesses for the cost of certain improvement activities. These
activities are generally promotional in nature. Once a BID is
established, the City collects the assessments and disburses them

to an appropriate entity representing the district pursuant to an annual operating agreement. There are currently 11 active districts in the City of San Diego: Adams Avenue, City Heights, Downtown, El Cajon Blvd.-Gateway, El Cajon Blvd. Central, Gaslamp, Hillcrest, La Jolla, Mission Hills, North Park and Ocean Beach. State law requires that the City Council annually adopt a budget for each BID and hold a public hearing to levy appropriate assessments.

Today's action is the public hearing to levy the proposed assessment for the La Jolla Business Improvement District for FY 1992.

This site will be acquired by the City of San Diego, assisted by funding from MTDB and the State of California. The park-and-ride lot will be constructed by the State of California. The second site is located in the Carmel Mountain Ranch community on Rancho Carmel Drive at the intersection with Provencal Place. This site, and the parking structure on it, will be provided by the developer.

Both sites will be operated and maintained by the State of California under a 20-year lease from the City of San Diego. The use of both properties for park-and-ride facilities is consistent with the community plans for Penasquitos East and Carmel Mountain Ranch.

COMMITTEE ACTION: Initiated by PSS on 7/17/91. Recommendation approve Chairman Pratt's recommendation to allocate \$10,000 to Triple Crown Youth Program for the purpose of enhancing their Summer Youth Program. Funds shall be allocated from the Neighborhood Pride and Protection Plan's Conservation line item. Additionally, the Committee requested that the City Manager assist Tripple Crown in developing an education enhancement program; a verbal report is to be provided to the Public Services and Safety Committee on August 7, 1991, via the City Community Services Program's Youth Administrator. Districts 3, 4, 5 and 7 voted yea. District 2 not present.

CITY MANAGER SUPPORTING INFORMATION: On July 17, 1991 the Public Services and Safety Committee recommended that Triple Crown Youth Coalition, Inc. receive \$10,000 in funding from Waste Management's Neighborhood Pride and Protection budget.

The monies would be used for the Triple Crown Summer Youth Program, which provides gang members and at-risk youths with training and employment opportunities. Specific activities will include graffiti removal, painting, sidewalk weed abatement, and other neighborhood improvement projects. Support services will include tutorial assistance, daily lunches, field trips, assistance with job placement, and school transition activities.

Triple Crown Youth Coalition, Inc. recently received a \$10,000 grant from the San Diego Consortium and Private Industry Council for the Summer Youth Program. The funding is administered through the Neighborhood House Association, who acts as fiscal agent and ensures that administrative requirements are met. The City has an agreement with the Neighborhood House Association (NHA) for the "Out of School Youth Program," who provides juvenile diversion services to at-risk youths. The action before Council today is an amendment to the agreement authorizing NHA to administer the City's funding allocation for the Triple Crown Summer Youth Program. Funds are available from Waste Management's Neighborhood Pride and Protection budget.
